

Life Group Discussion Questions

3-26-17

Opening Question:

What's the worst public child meltdown moment you've ever witnessed?

Discussion Questions:

1. As a child or teen, who was a non-relative adult who positively impacted you?
2. Evan stated that Deuteronomy 11:1-28 is addressed to Israel as opposed to only the parents. Evan suggested the implication of this is that it's the Church's responsibility to teach kids/teens and not just the parents. How do parents empower others to partner in teaching their kids but still maintain their unique role as a parent?
3. In what ways might adults at Wilshire be bothered by kids or teens?
4. In what ways might you have bothered the adult you mentioned earlier who positively impacted you? How did they respond?
5. Re-read Mark 9:36-37. How might welcoming kids and teens look like.....
 - In your life group?
 - With your kid's friends? (if applicable)
 - On a Sunday at Wilshire on the plaza?
 - In your neighborhood?
6. Contact Sheree, sheree@wilshireave.com or Evan, evan@wilshireave.com if you are open to getting even more involved.
