

## Life Group Discussion Questions

3-5-17

### **Opening Question:**

Share about a time when you felt you were using your gifts to serve God?

### **Digging Deeper:**

1. What stands out to you from the story of David in I Samuel 17?
2. What are some things you can identify with David in this story?

### **Life Application:**

1. Why do you think it is important for us to figure out our gifts and talents and how God has wired us for ministry?
2. How have you seen your gifts being used in the church or for God?
3. Have you ever been envious of others gifts? Why is that dangerous? What about gift projection (wishing you had other gifts)?
4. Why does God give each person different gifts? What can happen to us individually or as a church if we are not using the gifts God has given us?
5. What steps can you take to further discover and begin to use your gifts?
6. Take some time to talk about and pray about the S.H.A.P.E. test we will soon be taking as a church so we can see how God has uniquely shaped each of us for ministry.
